Rebates for 2011 - 2012

- CPR • First Aid • Health & Safety Training

The California Child Development Division and Family Resource and Referral Center has scholarships available on a *first come, first served* basis to licensed center-based staff, licensed and potential family child care providers, and license-exempt child care providers serving San Joaquin County for costs associated with completing health and safety training including pediatric CPR or First Aid.

Rebate applications will be paid to individuals, not to employers.

Training must be completed between July 1, 2011 and May 16, 2012.

FRRRC will reimburse up to the cost as shown on the receipt to a maximum of \$50.00 per individual.

A copy of your original receipt and a copy of certification with the EMSA Sticker* must be attached to this form. Return to:

**Family Resource & Referral Center
