

# Capturing the Inspiration . . .

. . . while juggling the many aspects of child care and early education

---

## Calling All Presenters!!

**Family Resource & Referral Center is looking for presenters to share their knowledge and experience with the early care and education field at the 3rd Annual Child Care Conference.**

The event will take place on Saturday, October 10, 2009, from 8:30 am to 4:30 pm at San Joaquin County Office of Education in Stockton. Co-sponsored by Local Child Care Planning Council, SJC Office of Education, and Central Valley Association for the Education of Young Children, the conference will include workshop sessions targeting the needs of child care providers, preschool teachers, directors, parents, and student teachers in San Joaquin County.

Our venue comfortably accommodates 250 attendees with 11 rooms for breakout sessions. Last year, our event offered 30 informative workshops divided between three sessions. This year, we will again offer three workshop sessions throughout the day.

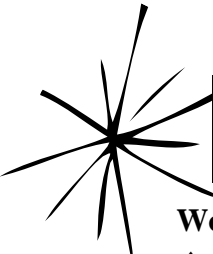

The featured keynote presenter is Tom Sparough; juggler, storyteller, writer, and facilitator. He is known to hundreds of thousands of people as the Space Painter, which comes from a description of juggling that he received from a two-year-old child. Tom weaves important life-skill messages into his presentations and offers a wide range of hands-on experiences that promote skill development, self-esteem, analogy insight, fellowship, and team building.

We would like to invite you to be a workshop presenter at our event. The information you have to share is so important in preparing and educating local providers to improve the quality of care for children. All presenters will be highlighted in the event program with a brief biography and their contact information. A follow-up article of the event will also appear in the January/February issue of FRRC's agency newsletter In a Nutshell, which is mailed to over 7,000 members of the community.

If you are interested, simply complete the attached application and return it by July 17, 2009. For your convenience, the application is also available online at our website: [www.frresj.org](http://www.frresj.org). If you have any questions, contact Leslie Reece at (209) 461-2951 or email: [lreece@frresj.org](mailto:lreece@frresj.org).

**Please consider sharing your knowledge by joining us and helping to again make this local child care conference a huge success.**
